Ram is forced to take a decision in that problematic situation What follows is an emotional tale.. The let down part in the movie would be less-realistic second half Or the fact that it is not very common which gives us nothing to relate with the final half.. Simply, the transformation from realistic first half of the movie to rather less-realistic half is unconvincing.. On the whole, it is definitely an excellent movie simply if you believe in it Considering the music and the passionate romance, I would highly recommend this movie.. Movie name # English subtitles All I care in a movie is good story and good action.. When they start a fresh life, problems start to grow up Apart from the usual misunderstanding difficulties that newly-married couples would face, this is of a different kind.. All the support casts were equally good and Shruthi could have delivered much better.. !! You could experience the same in this movie as well, a touch higher feel indeed.. First half of the movie, happens to everybody in their life, which is followed by not-so-regular happening in the second half.. 3 - Starring Dhanush and Shruthi is an honest attempt of Romance genre in the recent past.. Dozens of reviews said it is a great movie I was looking forward and I was so excited to see this.. Today, I watched it and I am so disappointed (1) Movie is too long 2 or 3 songs could be removed (b) Never was able to connect with Chittibabu or Ramalakshmi.. (f) A village girl kisses her boy friend in public in 80's?The film takes on a journey through the love story of Ram (Dhanush) and Janani (Shruthi) who are 12th standard students and eventually falls in love with each other.. Ever watched Donnie Darko? And remember how does it put us speechless in the final minutes.

The most important aspect of this movie is that, it also focuses on the after marriage part rather than just what the regular movies do.. As they grow up, so does their affinity for each other, and despite opposition from the elders, they tie the knot.. On this note this movie is not a regular romantic movie The significance of the movie are music by Anirudh and acting by Dhanush.. The best part is that the romance depicted is simple and passionate as well The movie is a mix of regular and rare happenings.. (c) Samantha is just a side kick Did not seem to have any personality (d) In a small village she does not know that chittibabu is deaf? (e) All the episodes related to Chittibabu deafness is very irritating.
