exceeds two hours at the approved fuel consumption rate – two hours reserve fuel.

2. Scheduled Common Carriage Flights

2.1 General

2.1.1 Generally, when an operator of an aircraft advertises its transportation services to the general public or particular classes or segments of the public for compensation or hire, it is a common carrier. In

operated in the absence of a contrary notification from X-40.

2.1.4 Scheduled flights in transit across the territory of the U.S. or landing for reasons other than for the purpose of loading and unloading of passengers, cargo or mail (nonrevenue flights), which are registered in a State which is not a party to the International Air Services Transit Agreement, must obtain prior permission from X-40 at least 15 days prior to the flight. All permission requests must include the same information as requested in
